

PT. BUDI TAMORA PERMAI

Wood Working Industries

Quality, Environmental, Legality Policy (SVLK) & PEFC-CoC

Our Vision

PT Budi Tamora Permai aims to become one of the high-quality rubber wood (*Hevea Brasiliensis*/Rubberwood) processing factories that is well managed by upholding the level of quality and customer satisfaction.

PT. Budi Tamora Permai Management believes that management responsibility for product quality, service and customer satisfaction will have a positive impact on our business and also benefits our employees, suppliers and customers. We also believe that the existence of Quality, Environment and Chain of Custody Policy (PEFC-CoC: *Programme for The Endorsement of Forest Certification - Chain of Custody*) as a guideline for responsible management can reduce these risks.

With more than 30 years of experience in rubber plantation and rubber wood production, we are confident and able to consistently source sustainable and sustainable rubber wood raw materials with the best quality according to the SVLK (Indonesian Legal Wood) and PEFC-CoC Certificate standards to guarantee the legality of products to customers, which is in line with the trend of the main wood market globally and will meet the stronger demand for legal wood products.

Our Commitment

PT. Budi Tamora Permai is committed to:

- Implement and maintain traceability chain requirements in accordance with relevant international and national standards: PEFC-CoC and Timber Legality (SVLK);
- Meet the applicable Quality & PEFC-CoC requirements of both the company and other interested parties;
- Maintain and preserve the work environment and its surroundings, including the use of sustainable raw materials that are safe and environmentally friendly;
- Control environmental and social responsibility and promote this practice to all business partners including vendors/suppliers;
- Using the 'best available technology' according to needs and seeking a well-trained, capable and motivated workforce to achieve better and consistent Quality, Environment & Chain of Custody (PEFC-CoC) performance;
- Conduct continuous improvement in the Quality, Environment, Timber Legality (SVLK) and Traceability Chain Management System (PEFC-CoC) so as to improve the performance of Quality, Environment, Timber Legality (SVLK) and Traceability Chain (PEFC-CoC); and
- Conduct regular reviews of the Quality, Environment and Chain of Traceability Management System (PEFC-CoC) to ensure that this policy remains appropriate to business developments.

PT. Budi Tamora Permai will:

- Provide understandable information and description of the Company's Quality, Environment, Timber Legality Management System (SVLK) and Traceability Chain (PEFC-CoC) and its performance accurately and reliably;
- Ensure that this Policy is communicated and understood by all employees, suppliers, business partners and customers.
